

Iapi Oaye: The Word Carrier

Published by the Dakota Mission in Dakota Indian territory (later South Dakota).

Founded by Rev. John Poage Williamson in 1871, the early issues had three pages in Dakota, and a last page in English. In March 1884, then-editor Alfred L. Riggs decided to divide and separately publish the Dakota and English language material; the former retaining the title of *Iapi Oaye*, and the English language section being issued with the title *Word carrier*. Alfred L. Riggs published and edited *Iapi Oaye*, and J.P. Williamson edited *Word Carrier*. *Word Carrier* occasionally published two or three numbers in one issue. Publication of both titles ceased in 1939.

The issues in Princeton's volume are bound interfiled, and listed below in the order in which they appear.
