## GAZE'S TOURS BY LONDON &amp; NORTH-WESTERN RAILWAY.

## H. GAZE & SON'S CONDUCTED OR ESCORTED PARTIES.

AMONG THE ADVANTAGES OF THIS SYSTEM  
 MAY BE MENTIONED THE FOLLOWING:—

**PLAN OF TRAVEL.**—The assistance of experienced advice and aid in arranging the round of the journey, so as to secure the largest amount of satisfaction derivable from the Tour, and to allot the proper proportion of time for visiting the sights at the principal places of interest, in order not to have insufficient time in one city, and a needlessly lengthened stay made in another.

**INCLUSIVE CHARGES.**—Comprising Hotel, Travel, Entrance Fees to sights, Douceurs at Hotels, Omnibuses, Carriage Drives, and the numerous incidentals which are constantly occurring. These being distinctly specified and included, enable the traveller to form a correct estimate of his outlay. The adjustment of Hotel accounts, and perpetual demands for petty expenses are also entirely avoided by this system.

**ASSOCIATION.**—The number forming the parties is so arranged as that all may receive personal attention; and amongst the party there are sure to be found kindred spirits, with whom it will be agreeable to associate; whilst, by those who prefer more independent action, perfect liberty can be enjoyed.

**CONDUCTORS.**—The gentlemen who escort these Parties have been carefully selected. They are of adequate education and culture, and can afford most valuable information. They have tact to deal with difficulties; whilst their long experience, and intimate acquaintance with the routes, enable them to be of very great service to those who accompany them.
